As the youngest of eight children I often say that my mother was the first professional organizer I knew. From an early age she taught me how to be organized and how to enjoy the freedom of living a more simple life. Today, I am a coach, speaker, organizer and minimalist. My primary goal is to help others achieve the improved quality of life that comes with keeping our lives as simple as possible.

About Me

- Bachelor's Degree, Texas A&M University-Texarkana
